CSP Application Checklist

Please bring the following items to your CSP interview:

- _____ Completed and signed CSP Application (NRCS-CPA-1200)
- _____ Completed and signed Direct Deposit form (Standard Form 1199A)
- _____ Completed Conservation Measurement Tool (CMT) Questionnaire
- _____ Copy of Entity papers indicating specifically who has signature authority for entity applicants.
- _____ Power of Attorney (POA) to show signature authority for entities or individuals. (FSA 211 form may be used - dated 12/17/08.)
- _____ Producer Farm Data Report and 156EZ
- _____ Certification maps for the current crop year for all land to be enrolled in CSP
- _____ Authorization to Release Information form
- _____ List of enhancements you are considering

Notes

1. The operator/applicant must be eligible at FSA for Adjusted Gross Income (AGI), Wetland, and Highly Erodible and Land Conservation (HELC) before applying for a CSP contract.
2. A Dun and Bradstreet Universal Numbering Systems (DUNS) Number is required for all applicants that are entities. More information is available about the DUNS Number on the CPA-1200.
